

Twizel Trip Report

25-4-03 -27-4-03

15 members travelled to Twizel for the ANZAC weekend fishing trip. The weather was magic, very sunny and no wind for the three days. We had five new club members on the trip—four between the ages of 12 and 18 years, and what enthusiastic fishermen they proved to be!

The river fishing was quite challenging, although Harry caught a nice 4½lb brown in the Dobson River on Saturday. Once again the edges of Lake Benmore were productive. Rex, Doug, Chris, Graham and Harry all had good catches there. A 3½ lb salmon was caught in the Ohau Canal by Annette.
